2017-18

GET INVOLVED!

School clubs: get involved!

At King Edward VI High School we have a variety of extra-curricular school clubs on offer to enrich learning in school; from the arts to science; from music to film; from sports to academic – we've got it all!

Whatever your interest, now is the time to get involved in the school clubs on offer and explore those hidden talents or develop your skills beyond the classroom.

If you are interested in joining any of the clubs after-school, please speak to the staff member in charge first and make sure you get permission from parents/carers.

If you have any questions, speak to the group leader to find out more or see Mr Lomas.

SCHOOL LIBRARY

The School Library is open EVERY DAY during breaktime and lunchtime for pupils to complete homework, reading, borrowing books or using computers.

Fridays is YEAR 7 ONLY.

Key:

	Lunchtimes
	After school

MONDAYS

Time	Name of club	Location	Staff leader	Open to	
12.40pm-1.25pm	The Long Jump Garden	Garden (on school field)	Mr Malone and Matt Long	ALL YEARS	Following a very successful first year of our growing garden we are very keen to see more students and staff gain a hands-on experience with food and nature. Matt is available to give advice and teach new skills twice a week (Thursday lunch, other day tbc), Mr Malone will be there most lunchtimes if you want to get involved. If you wish to give a little time, call down any lunchtime and help with everyday tasks, such as maintaining the crops in the polytunnel and in our 8 (soon to be 9) raised beds, or join in with whatever activities are happening on the day. There are many ideas to develop the garden and the grounds (and we're open to suggestions), if you're interested in particular projects let Matt or Mr Malone know - students last year helped with building projects, harvesting rainwater, collecting compostable material, planting trees, started a bottle greenhouse and many more...
